

Approved For Release 2005/01/10 : CIA-RDP84-00499R000400060057-5

Chief, KUCLUB

2. Funds in the amount of [redacted] are programmed in FY-1963 for the initial phase of the [redacted] Base Station. We have had a number of non-conclusive discussions here as to the form the communications facility in [redacted] aware of how wide a range these discussions covered.

3. In order to aid in at least a determination of the immediate steps that might be taken to fill the existing void in our support to [ ] war plan, it is requested that you explore, through the contacts you have indicated, the availability of a structure to house a 10-T station and explore also the pertinent details in connection with such storage, i.e., how accessible will the equipment be for inspection, test and rotation of items. Also, please determine the availability of antenna field sites and the military reaction to a suggestion that the antenna fields be in existence prior to actual need.
